Partners in Medicine (PIM) is a group dedicated to supporting the significant others of University of Utah physician interns, residents, fellows, and attendings. We provide a support group to families who are in this transitional stage in life.

All spouses and partners of physicians (interns, residents, fellows, attendings, faculty) associated with the University of Utah are eligible for membership. Annual membership dues are \$15 and entitle you to a copy of the PIM monthly newsletter with detailed monthly club events and updates, a PIM member directory, and most importantly, the opportunity to meet people going through similar life experiences.
